VINAYAK KATTE

ASPIRING AI ENGINEER

Belagavi, Karnataka | 8792847323 | vinayakpatel@gmail.com

LinkedIn: xxxxx | GitHub: xxxxx

PROFESSIONAL SUMMARY

BCA student interested in Artificial Intelligence, Machine Learning, Deep Learning, Neural Networks, and Retrieval-Augmented Generation (RAG). Keen to develop AI-powered solutions, apply emerging technologies to practical problems, and continue building technical and problem-solving skills.

TECHNICAL SKILLS

AI & Machine Learning: Machine Learning fundamentals, Deep Learning, Neural Networks

AI Systems: Retrieval-Augmented Generation (RAG), AI pipeline concepts, AI tools

EDUCATION

Bachelor of Computer Applications (BCA) | Expected Graduation: 2028

KLE Society's RLSI BCA College, Belagavi – 590001

Rani Channamma University | CGPA: 9.4/10

PROJECTS

RAG Design

- Explored Retrieval-Augmented Generation (RAG) and its application in AI-powered workflows.
- Used AI tools as part of project development. Personal contribution: 100%.

To strengthen this entry, add the project's objective, specific tools, implementation details, and results.

PROFESSIONAL EXPERIENCE

AI Engineer | Meta — Duration stated: 3 years

Verify this experience and add employment dates, responsibilities, technologies, and accomplishments before submitting. Remove this section if it is not verified work experience.

CERTIFICATIONS & WORKSHOPS

AI Tool Expert — VTU

Workshops: Generative AI; Deep Learning

SOFT SKILLS, LANGUAGES & INTERESTS

Soft Skill: Communication

Languages: English, Hindi, Kannada

Interests: Travelling, Cricket
